Mission Statement

The goal of our club is to provide a safe, warm and friendly skating environment for all children. To foster, promote, encourage, advance and improve ice skating in all its branches, and to encourage and cultivate a spirit of harmony among ice skaters.

IMPORTANT REMINDERS:

Ice Time Change

Due to the Burlington High School Hockey team, this season the ice time change is **November 30, 2009** please check the calendar on the website for ice time changes.

Registration

Please send in your Session 2 registration By **November 23, 2009**.

All skaters must fill out an emergency contact form. Please see the ice monitor for assistance. This form must be completed before your skater goes onto the ice. Please check and make sure that all information is current.

Please remind your skater to observe the skater wearing the yellow or orange vest; they have the right of way on the ice while practicing their program.

Holiday Exhibition

The holiday exhibition will be December 22, 2009 from 5:00-7:00 pm. There will be a sign up sheet for music selection as well as for volunteers needed. It will be posted at the end of this month at the rink. Come and enjoy the fun and skate to your favorite holiday music!

National Skating Month

January 2008 marks National skating Month. WFSC will be holding a special event for this. Please check out the website for further information to come.

Please Make sure to walk your child into the rink to be sure that ice is in session and an ice monitor or coach are present.

IMPORTANT: Please be prompt in picking up your child at the end of their session.

Billing

Members will no longer receive monthly bills. All booked ice time will be pre-paid. For walk-ons, checks only will be accepted.

Volunteers

Volunteers are always needed especially for Ice Monitoring. Please visit the Volunteer link on our web site and also fill out and return our new Volunteer Policy form with your registration.
